

SUPERINTENDENT’S MESSAGE

Back-to-School Edition

Dear Parents and Guardians:

The past two years have been a very difficult and trying time for all of us. As we prepare for the new school year, we do so with renewed energy that the adversity we have faced is behind us and we can, once again, focus our complete attention on providing a rewarding learning experience for all students. Adversity builds character and strength, and through the 2021-2022 school year, adversity enabled us to form a greater understanding of what education could be when not restricted by decades of tradition and conformity. Teacher and administrative leaders have begun to review the good and bad of the pandemic through the eyes of an educator and student with the end goal of developing instructional practices that productively use technology as a conduit to developing a more engaging, student-focused environment.

Despite the many challenges posed by the pandemic, we have begun to emphasize the positive outcomes that have resulted from the instructional changes the pandemic has forced upon us. We have implemented a variety of new instructional tools that will enable us to better meet the unique academic needs of each child. We have also increased our understanding of our students’ mental wellness needs as well as the effects of stress and trauma. This improved understanding as well as the additional wellness measures we have available will help us to better meet the needs of the whole child.

We remain steadfast to our district mission of developing within our students the skills they need to thrive when they enter the 21st century job market. We are constantly reflecting upon and updating our curriculum as well as the way we teach our students in order for them to be “future ready”. Education continues to evolve as we strive to engage our students, meet their individual learning needs, and prepare them for success in a global society.

The new school year will begin for students on Thursday, August 25, 2022. Our teachers, administrators, and staff have been working hard to prepare for another enriching school year. Parents, teachers, support staff, administrators, and school board members of the Hollidaysburg Area School District have worked collaboratively to make the best of a difficult educational environment for the benefit of our students. It is our goal to continue to provide our children with the quality education they have become accustomed to, regardless of the circumstances that may lie before us.

Sincerely,

Robert J. Gildea

Robert J. Gildea, D.Ed.
Superintendent

The Hollidaysburg Area School District is an Equal Opportunity Education institution and will not discriminate in employment or the provision of programs and services to students based on race, color, gender, religion, age, national origin, sexual orientation or handicap/disability as required by Title VI, IX, and Section 504. For more information regarding civil rights grievance procedures, and Title VI and Title IX, contact Ben Caldwell, Title IX Coordinator and Director of Human Resources at 814-695-5585. For issues pertaining to handicapped provisions and facilities that are accessible, contact Jonathan Nihart, Coordinator for Section 504 and Director of Physical Plant at 814-696-9185. The human resources office is located at the HASD Administration Building, 405 Clark Street, Hollidaysburg, PA 16648. The physical plant office is located at HASD Junior High School, 1100 Union Street, Hollidaysburg, PA 16648.

SPECIAL NEEDS STUDENTS

CHILD FIND - Screening to identify students who may require special programs and services is ongoing and includes teacher observation, group tests, individual tests, state assessments, vision and hearing screening, speech and language screening, review of cumulative files, large and fine muscle screening, and support and monitoring by the child study team. All information is confidential and is available only to school staff working with a child and to his/her parents. More information on any aspect of special services is available from building principals or the office of the Special Education Director, Mrs. Laura Koehle, at 814-695-5659.

STUDENTS WITH A DISABILITY (IDEIA) - The Hollidaysburg Area School District offers programs to students in need of support for a variety of emotional and academic concerns. Parents who believe their child needs special services should call the building principal at the school their child would attend or the office of the Special Education Director, Mrs. Laura Koehle, at 814-695-5659.

CHAPTER 15- ANNUAL NOTICE TO PARENTS – In compliance with state and federal law, the Hollidaysburg Area School District will provide to each protected handicapped student, without discrimination or cost to the student or family, those related aids, services or accommodations which are needed to provide equal opportunity to participate in and obtain the benefits of the school program and extracurricular activities to the maximum extent appropriate to the student’s abilities. In order to qualify as a protected handicapped student, the child must be of school age with a physical or mental disability which substantially limits or prohibits participation in or access to an aspect of the school program. These services and protections for “protected handicapped students” are distinct from those applicable to all eligible or exceptional students enrolled (or seeking enrollment) in special education programs. For further information on the evaluation procedures and provisions of services to protected handicapped students, please contact Special Education Director, Mrs. Laura Koehle, at 814-695-5659.

GIFTED EDUCATION (CHAPTER 16) - The district has programs to meet the educational needs of identified gifted students who require gifted education. Educational programming could include acceleration, enrichment, or both, as appropriate, according to each child’s intellectual and academic abilities and needs.

CONFIDENTIALITY OF RECORDS - Your child’s records include all the information kept or used by the school officials that relate directly to your child. This information includes basic physical information, attendance and tests, and achievement scores. The records also include special education information such as Evaluation Reports, psychological testing, IEPs and NOREPs, and other assessments. Law mandates that your child’s records be kept confidential by school officials. Records generally cannot be released to anyone outside the school system without your consent or the consent of a student if over 18 years of age. Please contact school officials if you would like to review your child’s records.

PROCEDURAL SAFEGUARDS (IDEIA) & NOTICE OF PARENTS RIGHTS (GIFTED EDUCATION) - State and federal laws outline your rights and the safeguards to be followed in providing a free appropriate public education. School officials must give you written notice whenever they want to evaluate or re-evaluate your child or whenever they want to make any significant changes in your child’s IEP/GIEP or placement. School officials must provide you with written notice when they refuse to do something you have asked them to do. These notices explain your rights, including your right to utilize the Dispute Resolution System when there is a disagreement between the school district and parent. The notice also lists agencies from which you may be able to get help or services for your child. School districts are required to educate students in need of special education with their nondisabled peers to the maximum extent appropriate.

EL SCREENING - Students are screened if English is indicated as a secondary language. Please contact Dr. Sarah Palazzi, ESL Coordinator, at 814-695-5584.

ASSESSMENT PROGRAM

Hollidaysburg Area School District provides an extensive program of standardized assessment. Group tests are also administered to secondary students for career and diagnostic math and reading. PA state assessment in English Language Arts and Math are administered in grades 3, 4, 5, 6, 7 and 8, with Science in grades 4 and 8. The Keystone Exams in Algebra I, Biology, and Literature are administered to secondary students. Other tests are administered to individual students only when professional staff need special diagnostic or achievement information. A list of the district's Assessment Options, which is updated yearly, is available and you may request a copy of the list by calling 814-695-5584.

PARENT INVOLVEMENT

The HASD encourages and invites you to become partners with us in your child's education. You will be invited to attend school activities, meetings, and conferences. There are opportunities for parents, grandparents, and community members to volunteer in the schools.

The junior and senior high schools have established Parent Advisory Committees. The JH Parent Advisory Committee meets the third Wednesday of each month at 12:30 PM in the JH library. The SH Parent Advisory Committee meets on the fourth Wednesday of each month at 12:00 PM in the conference room at the senior high school.

All elementary schools have active Parent-Teacher Organizations.

HEALTH SERVICES

Three certified school nurses and three health room assistants provide health services among the five district schools and four nonpublic schools. In the event that a child becomes ill, the school nurse may find it necessary to contact parents to pick up your child. We ask your cooperation in such instances. Please have updated contact information on your child's Infinite Campus page.

It is also important that the nurse be aware of any health problems that a student may have or special accommodations that need to be made. Please contact the building nurse to notify her of such problems or to make arrangements for any medications which must be administered during the school day.

CONCUSSIONS

Concussions can have a major impact on students in the school setting. If your child is diagnosed with a concussion, please contact the school nurse in the appropriate building. The school nurse will provide the student with a concussion form to be completed by the attending physician. The school nurse can help coordinate necessary program changes for your child as he/she recovers. If you have any questions about concussions, please refer to www.cdc.gov/concussions.

School nurses and the buildings they cover are:

Christine Snyder, RN, CSN
Wendy Lieb, RN, CSN
Mary Haenig, RN, CSN
Jill Furry, RN
Erin Fogle, RN

Junior High, St. Patrick's, Blair Christian School, homeschool students
Frankstown, Foot of Ten, Penn Mont
Senior High, C. W. Longer, Holy Trinity
Foot of Ten
C. W. Longer

DIRECTORY INFORMATION

The Pennsylvania Right-to-Know Act provides that certain “directory information” about public school students is public information and legally available to individuals or agencies who may request it. Directory information consists of the student’s name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student.

Typical requests for such information might be made by military recruiters, businesses that wish to include students on their mailing lists, or by trade and technical schools that might wish to recruit high school graduates.

As a parent, you have the right to deny your child’s directory information to agencies or individuals requesting it. Simply fill out the form below and mail it to your child’s school office by September 23, 2022.

STUDENT DIRECTORY INFORMATION ACCESS DENIAL

If any individual, business, or other agency should request directory information on Hollidaysburg Area School District students, please do not include my child’s name and directory information.

Student Name

Parent Signature

Grade/Building

Date

CAREER CONFERENCES

Students in grades 8 and 10, along with their parents, are invited to the school in the spring of the school year to meet with a guidance counselor to plan for the child's college, career or workforce readiness. Results of interest inventories, academic records, and test results are some of the items used in the discussion and planning process. Helpful resource information will also be available at this time.

ALTERNATE READING ASSIGNMENTS

The Hollidaysburg Area School District recognizes that the content of certain literature selections might be objectionable to some individuals. In the event that a child receives a reading assignment which parents find objectionable, the classroom teacher should be contacted. If appropriate, the teacher may provide an alternative reading assignment. As in the past, parents have the option of reviewing course materials. Parents should contact the building principal to review course materials. Inquiries can also be made to Dr. Sarah Palazzi, Director of Curriculum.

INSURANCE FOR STUDENT ATHLETES

All students in grades 7-12 who participate in sports, including cheerleaders, majorettes, and band members, will be covered by accident insurance at no cost to parents. This insurance policy is a secondary benefit plan with parent coverage as a primary plan.

Should your child sustain an injury during practice or competition, he or she is required to report it to the coach and/or athletic trainer immediately. If your child participates in sports, cheerleading, or band and incurs an injury that is not related to these activities, this insurance coverage will not pertain. As in the past, the district will also offer optional accident insurance, for purchase by parents, to all students. Information concerning this coverage is included as an attachment in this email.

PHYSICAL EDUCATION ATTIRE

Students entering the 10th grade are required to have a standard HASD gym uniform. All NEW uniform sales will be purchased out of the Senior High School Store, The Jungle. The old style gym uniform will still be used in grades 9-12, and will eventually be phased out. Moving forward, all uniforms will be purchased from the school store, The Jungle. If you have any questions regarding gym uniforms, please contact the building your student attends.

Senior high students beginning in 10th grade are required to take a swimming class. Students must provide their own swimsuits. There is not a standard-issue swimsuit that all students wear. Girls swimsuits must be of a one-piece design to properly cover the body. Slits up the side, open areas on various areas of the suit, and suits that are low-cut at the bodice or high-cut in the legs are not acceptable. Boy's swimsuits should be modest. Cut-offs or shorts are not acceptable.

STUDENT TRANSPORTATION

Proper behavior of students on a school bus is important to the safety of everyone. *Improper behavior will result in suspension of a student's bus privileges.* The district uses video cameras on buses that record audio and video to help maintain safety, but there is nothing more effective than parents encouraging their children to follow common sense rules of good behavior and safety. The district seeks parent support in helping us to maintain safety on school buses.

The district operates a full day kindergarten. Kindergarten students will ride the same bus as elementary students in the AM and PM. HASD requires that a parent or adult guardian be present at the bus stop when a kindergarten student is dropped off. As in the past, the district will review requests for changes in bus stops for special child care arrangements. Such requests can be considered only if a child care provider, or babysitter, is located in the same elementary attendance area as your child, the requested stop is on an existing bus route, and there is space on the bus.

Fullington Autobus Company is the district's transportation contractor, located at 240 Patchway Road, Duncansville and managed by Linda Hodge. Questions or concerns regarding late buses or driver job performance should be directed to Fullington Autobus at 814-693-7630. Questions regarding babysitter accommodations, bus assignments, or stop locations should be directed to Linda Conway, Transportation Secretary at 814-695-5585. Discipline matters should be directed to the building principal. Questions regarding change in bus routes should be directed to Ben Caldwell, HASD Transportation Director, at 814-695-5585. Please visit our website for additional transportation info at www.hasdtigers.com (click on "Transportation"). HASD bus numbers are in white and are on the bus window.

The following is a partial list of transportation safety tips for students:

1. Always look both ways before crossing a road when getting on or getting off a bus.
2. After getting off the bus, move away without delay and make sure that your driver sees you. Go directly home.
3. Stay out of the danger zone – the area outside of the bus where the driver can't see you (directly in front of and behind the bus.)
4. In the winter, do not stand on a snow bank near a bus stop.
5. Always remain in your seat, facing forward.
6. Use the bus handrail when getting on and off.
7. Never put any part of your body outside a bus window.
8. Do not wear headphones when traveling to your bus stop or when waiting at the stop. You need to be aware of traffic sounds.
9. Parents – make sure your students know your emergency contact phone numbers; have a plan for early dismissals, have a plan if your child gets home and is locked out.
10. Parent or adult guardian needs to be at the bus stop for kindergarten students.

ATTENDANCE AT THE GREATER ALTOONA CAREER AND TECHNOLOGY CENTER

All vocational technical students must report to class on days that the Greater Altoona Career and Technology Center (GACTC) has scheduled classes when classes are not scheduled for HASD*. Bus transportation from Hollidaysburg Area Senior/Junior High School to GACTC and back will be provided for AM students at 7:45 AM. Students must arrange for transportation to the senior high school by 7:35 AM, and to the junior high school by 7:40 AM. Buses will be available for transportation to and from the GACTC.

***NOTE:** Policy is outlined in the student handbook covering this type of situation as well as when HASD is in session and the GACTC is not.

COMMUNITY AGENCIES SUPPORT SERVICES

Throughout the year, the need may arise for the use of a community agency which could provide families with specific support services. Listed below are several available agencies. If you have any questions, please contact Dr. Sarah Palazzi at the Administration Building at 814-695-5584. Questions regarding services should be directed to these agencies.

AGENCY	PHONE	AGENCY	PHONE	AGENCY	PHONE
UPMC Behavioral Health Services (Crisis – 24 hours/day)	814-889-2289 Option 1	UPMC Behavior Health Services (Access Center)-outpatient/non-emergency	814-889-2289	American Rescue Workers	814-695-0762

SCHOOL LUNCH PROGRAM

Please join us daily for breakfast and lunch in the school cafeteria! Our meals are planned to appeal to our students and provide variety while meeting the nutrition standards established by the National School Lunch Program. We are proud to offer fresh fruits, vegetables, whole grains and low fat dairy choices. We make daily efforts to address the Nutritional needs of our students and look forward to serving you!

2022-2023 Meal Prices

\$1.10 Elementary Breakfast
\$2.25 Elementary Lunch

\$0.55 Milk

\$1.20 Secondary Breakfast
\$2.50 Secondary Lunch

Students from households that meet income guidelines or receive SNAP or TANF are eligible and should apply for FREE or REDUCED priced meals. The application is available on-line at www.compass.state.pa.us and at all school offices and the food service office. Mail the completed application to: HASD Senior High School, Food Service Dept., 1510 N. Montgomery St., Hollidaysburg, PA 16648. All information is confidential. If you have any questions concerning school meals or the meal application, please contact the Food Service Office at 814-695-7537.

Dedicated to supporting the educational mission of the HASD, the Hollidaysburg Area School District Foundation (HASDF) awards grants each school year allowing our teachers and students the unique opportunity to apply new and innovative programs in their classrooms and buildings. HASDF helps broaden the teaching and learning opportunities of our teachers and students.

The HASDF is fortunate to be a registered Educational Improvement Organization which allows us to accept donations from businesses enrolled in the Educational Improvement Tax Credit Program. For more information on how to donate to the Foundation through this program, please contact us.

Please consider supporting the HASDF. Your tax-deductible gift will benefit the many students in the Hollidaysburg Area School District. We appreciate your support. Together we are making a difference! For additional information please contact Jodie Albarano at 814-696-4454 x1130 or email jodie.albarano@hasdtigers.com.

JV Football

Adult - \$4 Student - \$3

All other senior high sports

Adult - \$5 Student - \$3

All junior high sports

Adult - \$3 Student - \$2

DUAL ENROLLMENT PROGRAM

The Dual Enrollment program provides an opportunity for a smooth and successful transition to college by offering the students in some classes the opportunity to be exposed to college work while still in high school. After successfully completing the course work and exams prepared in cooperation with the university, the student will receive college credits and a grade recorded on a regular college transcript. Costs incurred are the responsibility of the student. We currently have cooperative programs with the University of Pittsburgh, Saint Francis University, Mount Aloysius College and Juniata College.

INFINITE CAMPUS STUDENT INFORMATION SYSTEM

Hollidaysburg Area School District will use the Infinite Campus Student Information System this school year. With this system, parents and students can view grades, assignment details, homework and attendance online 24 hours a day. Report cards are also posted on the Parent Portal under Documents. It allows parents to access contact information to make communication with teachers.

Log-in information is the same as last year. If you forget your login and password, you can use the auto recovery features, or contact icparentsupport@hasdtigers.com or call 814-695-4426, Ext. 6147.

Parents can request changes to their home phone number, cell phone numbers, work numbers, and also update, remove, or add non-household emergency contacts via the Infinite Campus Parent Portal. Once the request is made, it has to be approved on the school end. The Infinite Campus Parent Portal is deactivated in early July and reactivated two (2) weeks before the start of school.

Changes to addresses still need to be completed at the Hollidaysburg Area School District Administration Office by calling Linda Conway at 814-695-5585, along with providing the appropriate paperwork listed on the Infinite Campus Portal (proof of the new residency). Proof of residency is mandatory before any changes can be made.

SCHOOL MESSENGER PARENT NOTIFICATIONS

The Hollidaysburg Area School District uses School Messenger to communicate with parents throughout the year. The system will alert you when your child is absent from school and when there are early dismissals, delays, other emergencies and weather notifications. Principals use the system to email newsletters and other event notifications to parents.

Within School Messenger, the Secure Document Delivery system allows important student specific information to be sent to you via email. This will require you to click on a link and enter a password to obtain the document(s).

Annually, you should log into School Messenger and verify your account. To do this you would go to <https://asp.schoolmessenger.com/hollidaysburg/>. If you have forgotten your password, please click “forgot your password” and follow the prompts.

If you have not set up your account, use the web address listed above, click “sign up” and follow the instructions.

Please call 814-695-5690 or e-mail icparentsupport@hasdtigers.com with any questions.

MEMBERS OF THE CLASS OF 2023

Successful completion of a formal resume and cover letter and a formal mock interview. The mock interviews are scheduled for March 27, 2023 – April 5, 2023.
